

Roanoke Valley Breakfast Lions Club

District 24-E

Lion Glenn's notes from July 7, 2010

- Lion King Lew reported that Lion Eulah had missed the meeting because she fell. We look forward to an update from Lion Lew as well as Lion Eulah's speedy return to us.
- July 7 guests were Faith Rector, Skylar Walsh, and Esther LaMar – Esther is soon to be a member of our club.
- We were reminded that dues are due.
- \$3,638.97 is in the treasury per the Lion Treasurer.
- Lion Pat was in the hospital a week but is back home now.
- Lion Leonard had a pacemaker installed June 30. Apparently it is turned up too high because he was the like the Energizer bunny at the pancake sale held July 10th. All those that participated in the Pancake breakfast did a great job. Well done Lions!
- Lion Marvin won \$31 in the 50/50 drawing. He always wins.

- The Treasure reported the following: General Fund \$2,028.05; Charities \$2,659.94 and CD's of \$2,150.45 for a total of \$6,838.44
- Update on Lion Pat. She is home now and improving slowly from her illness.
- Rescue Mission attendance the last Saturday was 12 who turned out and served three groups! More women and children and whole families seem to be coming through the line.
- District Governor Bernice Leftwich will be with us August 4th.
- October 8th and 9th is the date of the fall conference at the Valley View Holiday Inn.
- September 21st is the date of the Regional Zone Meeting at the C.S.L.C. location. The event begins at 6:30 PM, dinner will be served and all are welcome. (Dinner price similar to our last event there.) An RSVP will be required.
- Lion J.J. attended the Bedford Hosts Lion's Club meeting and reported they have one charter member who is 97 years old!

- Our Board met last week. Among action taken was to establish that the Fund Raising Chair position will be a permanent position on the Board.
- Lion Barbara asked about the conversation at our last meeting regarding Avon sales and the fact that we cannot mention on the material that sales benefit the Lion's Club. This is because monies earned through Avon sales go to our general fund. The general fund offsets our membership costs, including dues, meals, etc. We can only mention Lion's Club when monies raised go to our Charities account.
- Lion Robert passed along a sign up form for programs for the upcoming calendar year.
- Lion Leonard stated he was going to contact TV station WSLs to see if we could become a benefactor of the weather forecast charities account. Channel 10 in Roanoke has a charities fund supported by the station when the forecast is within a certain range.
- We were served a delicious breakfast meal.
- The induction into membership of Ms. Esther LaMar was conducted by Lion Bates (in Lion Cliff's absence) who explained our motto of "We Serve". Please take time to introduce yourself and welcome Esther into our fine club.
- The drawing was won by Lion Jerry.
- The card draw was Lion Leonard.
- The meeting concluded at around 8:00 AM.
- Next meeting is Wednesday August 4th. See you there!
