White Cane Day at Hunting Hills WalMart - April 4

Pancake Breakfast at Applebee's at Tanglewood Mall – July 11

Fundraising Everyone please mark your calendars for the April 4 White Cane Day at Hunting Hills WalMart.

Applebee's is now keeping \$2 from every pancake breakfast ticket sold, so we have to decide what price to put on the tickets. Lion Linda suggested \$6. Applebee's doesn't want us selling more than ~300 tickets. Everyone please make your ideas re. ticket cost known either to the board or in an email before the board meeting on the 25th. Once the Board decides on a price we can get the tickets printed up in March.

Lion Jerry reminds us **Dues are now Due.**

Lion Bill is scheduled for hip replacement surgery next Tuesday. It would be nice to give him a call at his home, 362-8274, and wish him well.

Member Spotlight Our Member Spotlight this month features **Lion Tamer Joyce Gay**. Lion Joyce is a lifelong Roanoke native and alumnus of William Fleming. She has always been passionate about doing volunteer work, and volunteers at the Blue Ridge Independent Living Center. When Lion Bill brought her to a club meeting she fell in love with the RVBLC. She wanted to be a part of our club when she discovered that we support so many worthwhile projects.
