

RVBLC Lions Tracks

November 2011

Coming Up – November

November 2– Regular Meeting

November 12 & 13 – Blind Bowler Event

November 16 – Regular Meeting

November 21 – Eyeglass Recycling

Lion Jerry reminds all Lions that your dues are now due.

Lion Leonard, fund raising chairman, works much longer hours than almost any of the rest us on the club fund raising events. He asks that in the future do not call him and say you can't make the shift you signed up for. Instead, find another Lion or some other person to replace you.

Lion Faith, is keeping the list of those signed up to assist at the blind bowling event at Hilltop Lanes.

Lion Glenn and wife Becky invite all the Lions to a dessert evening in honor of their son, David, getting married to their new daughter-in-law, Sonia. **November 19, 7-10 PM, 2728 Bobwhite Drive.** They need to know how many are coming, so be sure to sign the list at the meeting November 2.

Lion Bill Craft, our club's charter lion along with our King Lion, would love to have you visit where he is staying at 1437 Peters Creek Road. This is a 2 story brick house behind Cottage Carpet. Visiting hours are 10-2 and 4-7.

Lion Cliff, world's meanest tail twister let us off easy on fines (except **Lion Bruce**) because he was so happy that **Lion Mary Ann** drew the ace and won \$86.50.

October 19 was our visit from **District Governor Lion Dallas Scott**. He told how the International President wants all clubs to plant 42 trees. Somewhere. He then talked about the importance of Camp Too Sweet (Roanoke Valley Breakfast Lions donate to it) and the very important educational role the camp plays in teaching children with Type 1 diabetes how to live with the disease. Also, Lion Governor Dallas told that the Lions handled the registration for the JDRF (Juvenile Diabetes) walk flawlessly.

Its Great to be a Lion

Lion Glenn
