**Holiday Party at the YWCA** – The Holiday party at the YWCA was a huge success and enjoyed by all. Our Lion Treasurer, Jerry, certainly had a good time. Thanks to Lion Sandi and to all who helped.

**Membership** Has anyone tried using the invitations or business cards yet? It would be great to have some feedback as to their effectiveness.

**Fundraising** The Good news is that **Lion Jerry** received a \$332 check from Kroger. The bad news is that many of our members have bought the Kroger card but still do not use it. It is very simple to do. It works just like a credit card. You

can use any credit card you want to refill the Kroger card at any Kroger cash register. Remember the club gets \$5 for every \$100 worth of items bought, so try to remember to use your card.

**More Fundraising News** Mark your calendars for these.

White Cane Day at Hunting Hills WalMart - April 4

Pancake Breakfast at Applebee's at Tanglewood Mall – July 11

**Member Spotlight** Will be back in February.
